Hi [Ex. 6 - Personal Privacy]

I just spoke with [Ex. 6 - Personal Privacy] a few minutes ago and alerted her that we are hoping to resolve one discrepancy in the schedules we were provided before sending to you, and confirm a few others, all in yellow highlight. However, I think we will need another hour or two to resolve. I understand the timing is very tight, so resending this now, but please do expect another change or two.

Also, can you please send me a direct phone line where I might be able to reach you if needed?

Many, many, thanks!

Alexis

Dear Alexis,

POTUS is coming in tomorrow for a couple of days, and our visitor's and security sections are swamped. Also, Sandra wants all hotels (State and EPA – Rome and Bologna) on one spreadsheet, sent by [REDACTED]. If you could send a feeder spreadsheet with all arrivals and departures, we'd appreciate it. Lee will incorporate our information with yours and send it back for your verification.

Thanks a million!

Hi [REDACTED]

Hodayah Finman is arriving on June 8. I have a question out to the remaining two individuals you'd noted with red text and have asked for the information asap, so will send hopefully within the hour. My apologies for the delay. In the meantime, please note the addition of another EPA person to the delegation – **Amanda Gunasekara**. Will include her dates with the other information I send.

Thanks!

Hi all , just spoke with Ms. Mel

She confirms that Administrator + 4 will be staying at the Savoy . the cost of the room for the Administrator is free of charge for the 2 nights (10 and 11 June) , not sure if there is any additional cost for the double occupancy, will check. The other 4 will have to pay.

If you please confirm the composition of who goes with the administrator and who not I will send an email to Ms. Pomilio and get the reservations made for all the delegation.

Also dates

Thank you

Based on the email from G7 Logistica, it sounds like Agency Pomilio Blumm Ms Claudia Mele at accommodation@blumm.pomilio.com has some information on other hotels the Presidency has blocked.

It would be helpful to know which hotels and to, of course, have the rest of the US del in one hotel.

Thanks Alexis. I understand the Savoia will be the Administrator + 4, and the rest of team U.S. will stay elsewhere. Importance: High

Dear Focal points of G7 Environment,

please find attached the practical information for the Bologna G7 Environment Ministers Meeting next 11-12 June as well as the Agenda.

As informed yesterday, we will hold a **meeting to finalize the G7 Communiqué** starting from 9 June at 15.00 which will take place at the same Savoia Hotel Regency. As indicated in the practical information, booking of accommodation also for this meeting is managed through the Agency Pomilio Blumm Ms Claudia Mele Email: accommodation@blumm.pomilio.com

For the nights of 8-9 June the Savoia Hotel Regency hasn't enough rooms available, therefore Agency Pomilio Blumm will provide you with alternative hotels identified by the Italian G7 Presidency where special rates have been negotiated.

Looking forward to welcoming you in Bologna

Best Regards

G7 Environment Logistical Team
